## **TIE**

1. If there is a tie between teams in the same group, the criteria to break the tie will be the following:

- a) The direct match between the teams, two or more, will also be counted, also forming a new classification.
- b) Later, if the tie between two teams persists, the direct match will continue to count.
- c) If the tie persists in the classification with three teams, the difference between games, or points, facts and games, or lost points, will be considered.
- d) If there is still a tie between two teams, the direct match will be counted
- e) A draw will be drawn among those involved if there is also a tie with three teams.

2. If there is a tie between teams from different groups, the criteria to break the tie will be the following:

- a) Groups with the same matches: the points or games of the classification will be taken into account.
- b) Groups with different matches: The percentage of the global score of each of those involved, divided by the difference in games achieved with respect to the total number of possible games.
- c) If the tie continues, the games in their favor and finds will be counted.
- d) If it persists, the differential of "15" won and lost will be counted
- e) If there is still a tie, it will be raffled among those involved.
